

Quality Policy

Objective

Yinson Production is committed to excellence in project execution and unit operations and to be a preferred long-term partner for our clients.

We shall achieve this by:

- Delivering and operating units that fulfil the requirements, expectations and needs of our clients;
- Delivering quality in project execution, which will form the basis for reliable, safe and effective operations of our units;
- Implementing and maintaining an effective management system in conformance to ISO 9001;
- Identifying and managing risks and opportunities;
- Establishing quality objectives and evaluate their performance;
- Controlling suppliers and contractors through risk-based approach;
- Auditing and monitoring;
- Managing non-conformities, incidents and lessons learned;
- Complying with statutory, regulatory and client requirements;
- Using competent personnel and provide training as required;
- Continually improving our management system to enhance quality performance and client satisfaction.

This policy is applicable to all Yinson Production personnel, contractors and visitors engaged by, or working on behalf of Yinson Production.
